From present indications, the amlience at

Monday evening, will be one of the largest and most fashionable of fective with the hundreds of workingmen, special interest, as the first concert of and they cheered "Sheilbark Tom" to the the society under the direction of Prof.

he did not speak twice as long as he great interest. The choruses from the did. After the speech Hendricks was Elijah are new to Springfield concert goers. presented to some of the leading citizens of as the composition has never been perthis city, and all were charmed with his formed here. The piano solo by Miss genial conversation and personal magnet- Marie Miller will also be of special interest. Miss Miller was the soloist at the Sænger-Another fight to get back to the train, fest two years ago, and achieved a great success on that occasion. The piece she has selected for tomorrow evening is the Taken as a whole, the concert will be a re-

circulation a petition to Governor-elect Foraker urging his appointment as transcribing clerk. The peculiar fitness on which his claims for an office are founded is the fact that he acted as president of the Union Foraker and Kennedy Club during the campaign, Mr. Cowan has receilarge number of names to his petition.

No figure is more familiar in the realms f poetry and romance than that of the OUGHTY SPANISH CAVALIER

With a mandolin at his back and a dagger Continued on Fifth Page.
